

An aerial photograph of a rural landscape. In the foreground, a large field of golden-brown crops is being harvested by a green combine harvester, which is kicking up a small cloud of dust. The field is divided into sections by dark, curved tracks from heavy machinery. To the right, a dense line of trees with vibrant autumn foliage in shades of yellow, orange, and green runs along the edge of the field. The background shows more fields and a clear sky. The overall scene is bathed in the warm, golden light of late afternoon or early morning.

Top 10 Things to Grow Your Region

10. Give up on buffalo.

9. Act as one region.

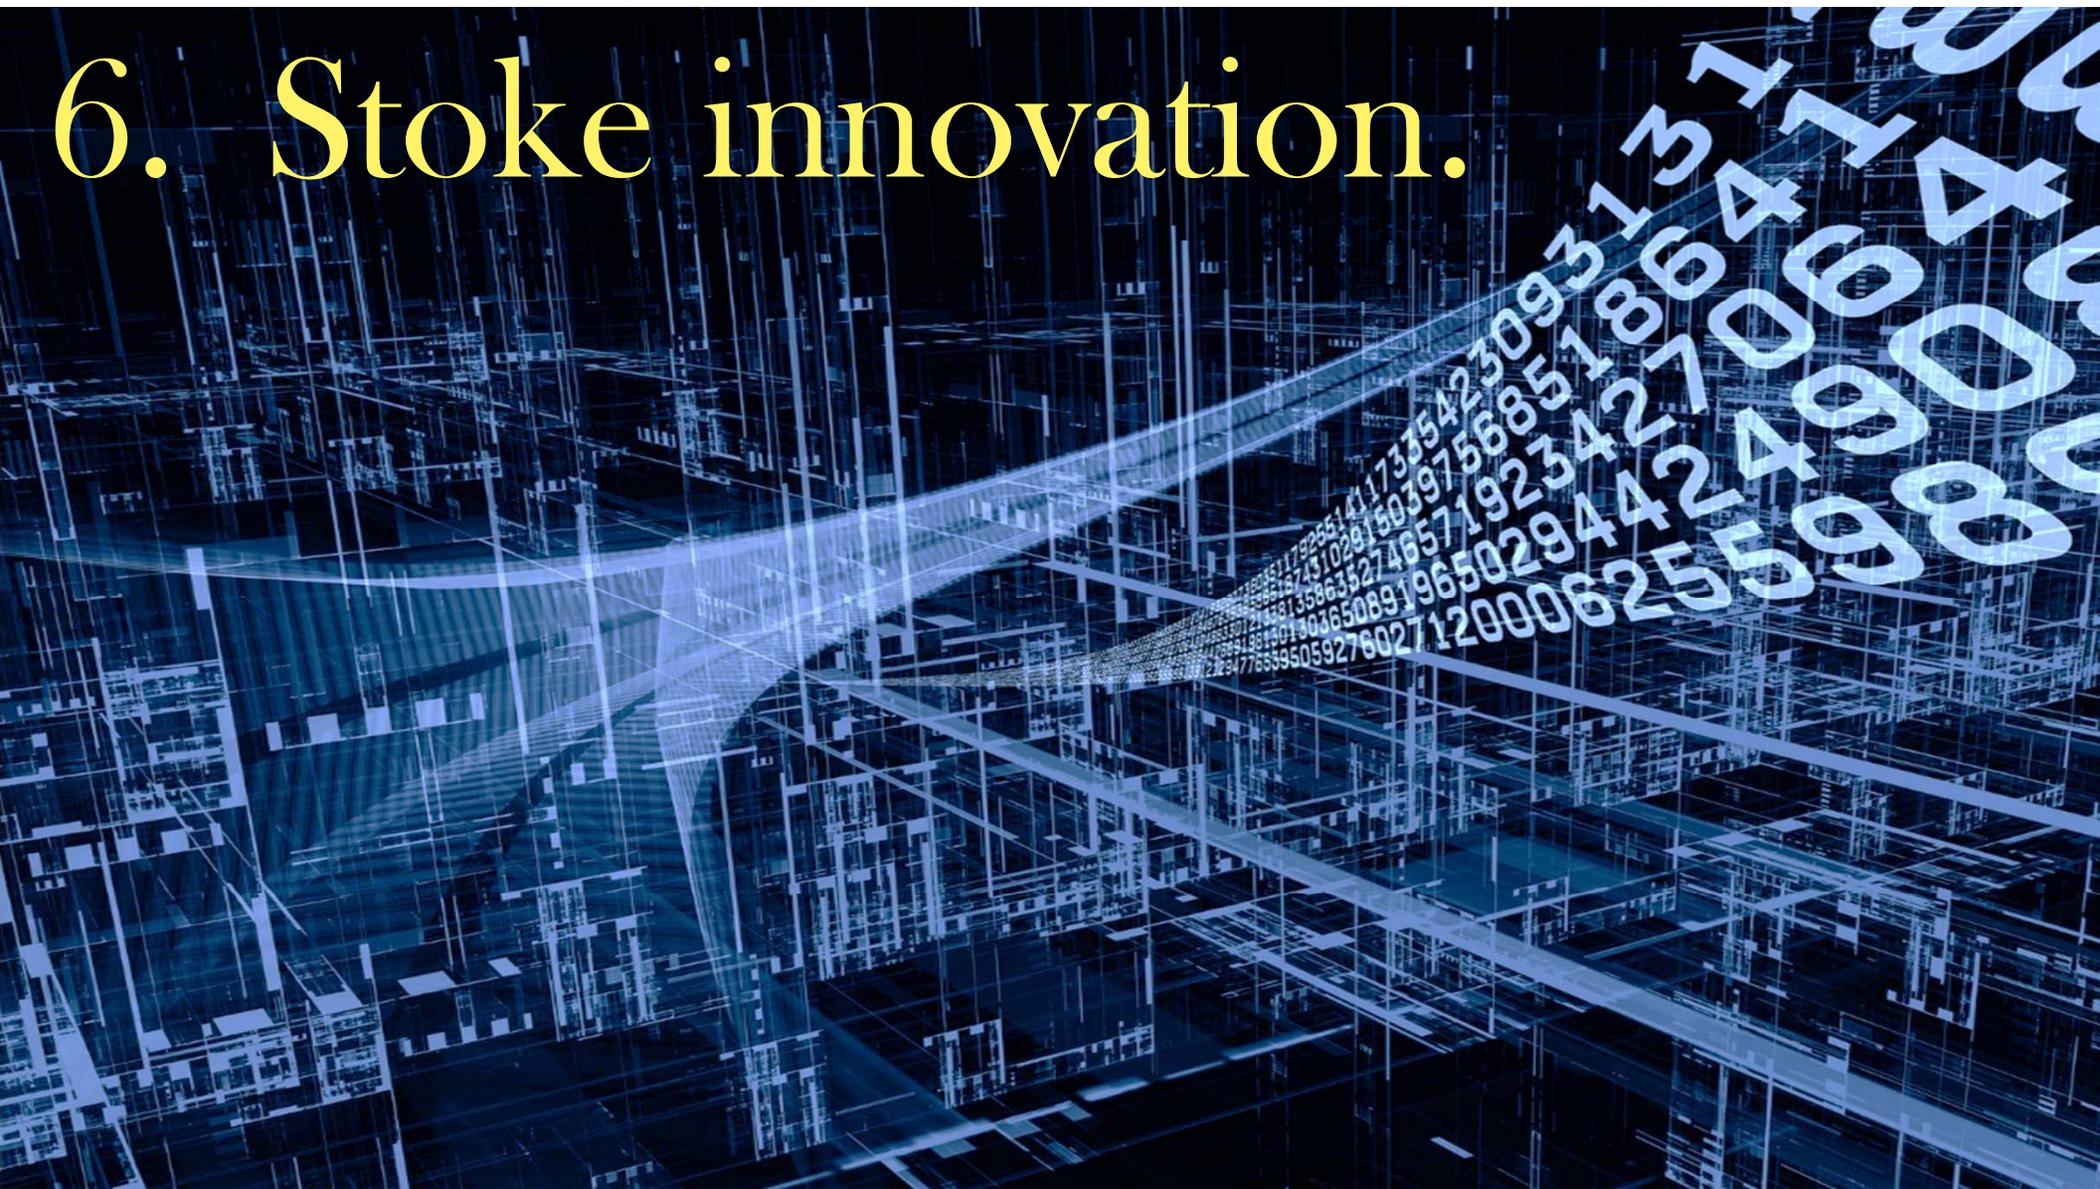

8. Find
your
event.

7. Craft a strategy for gold.

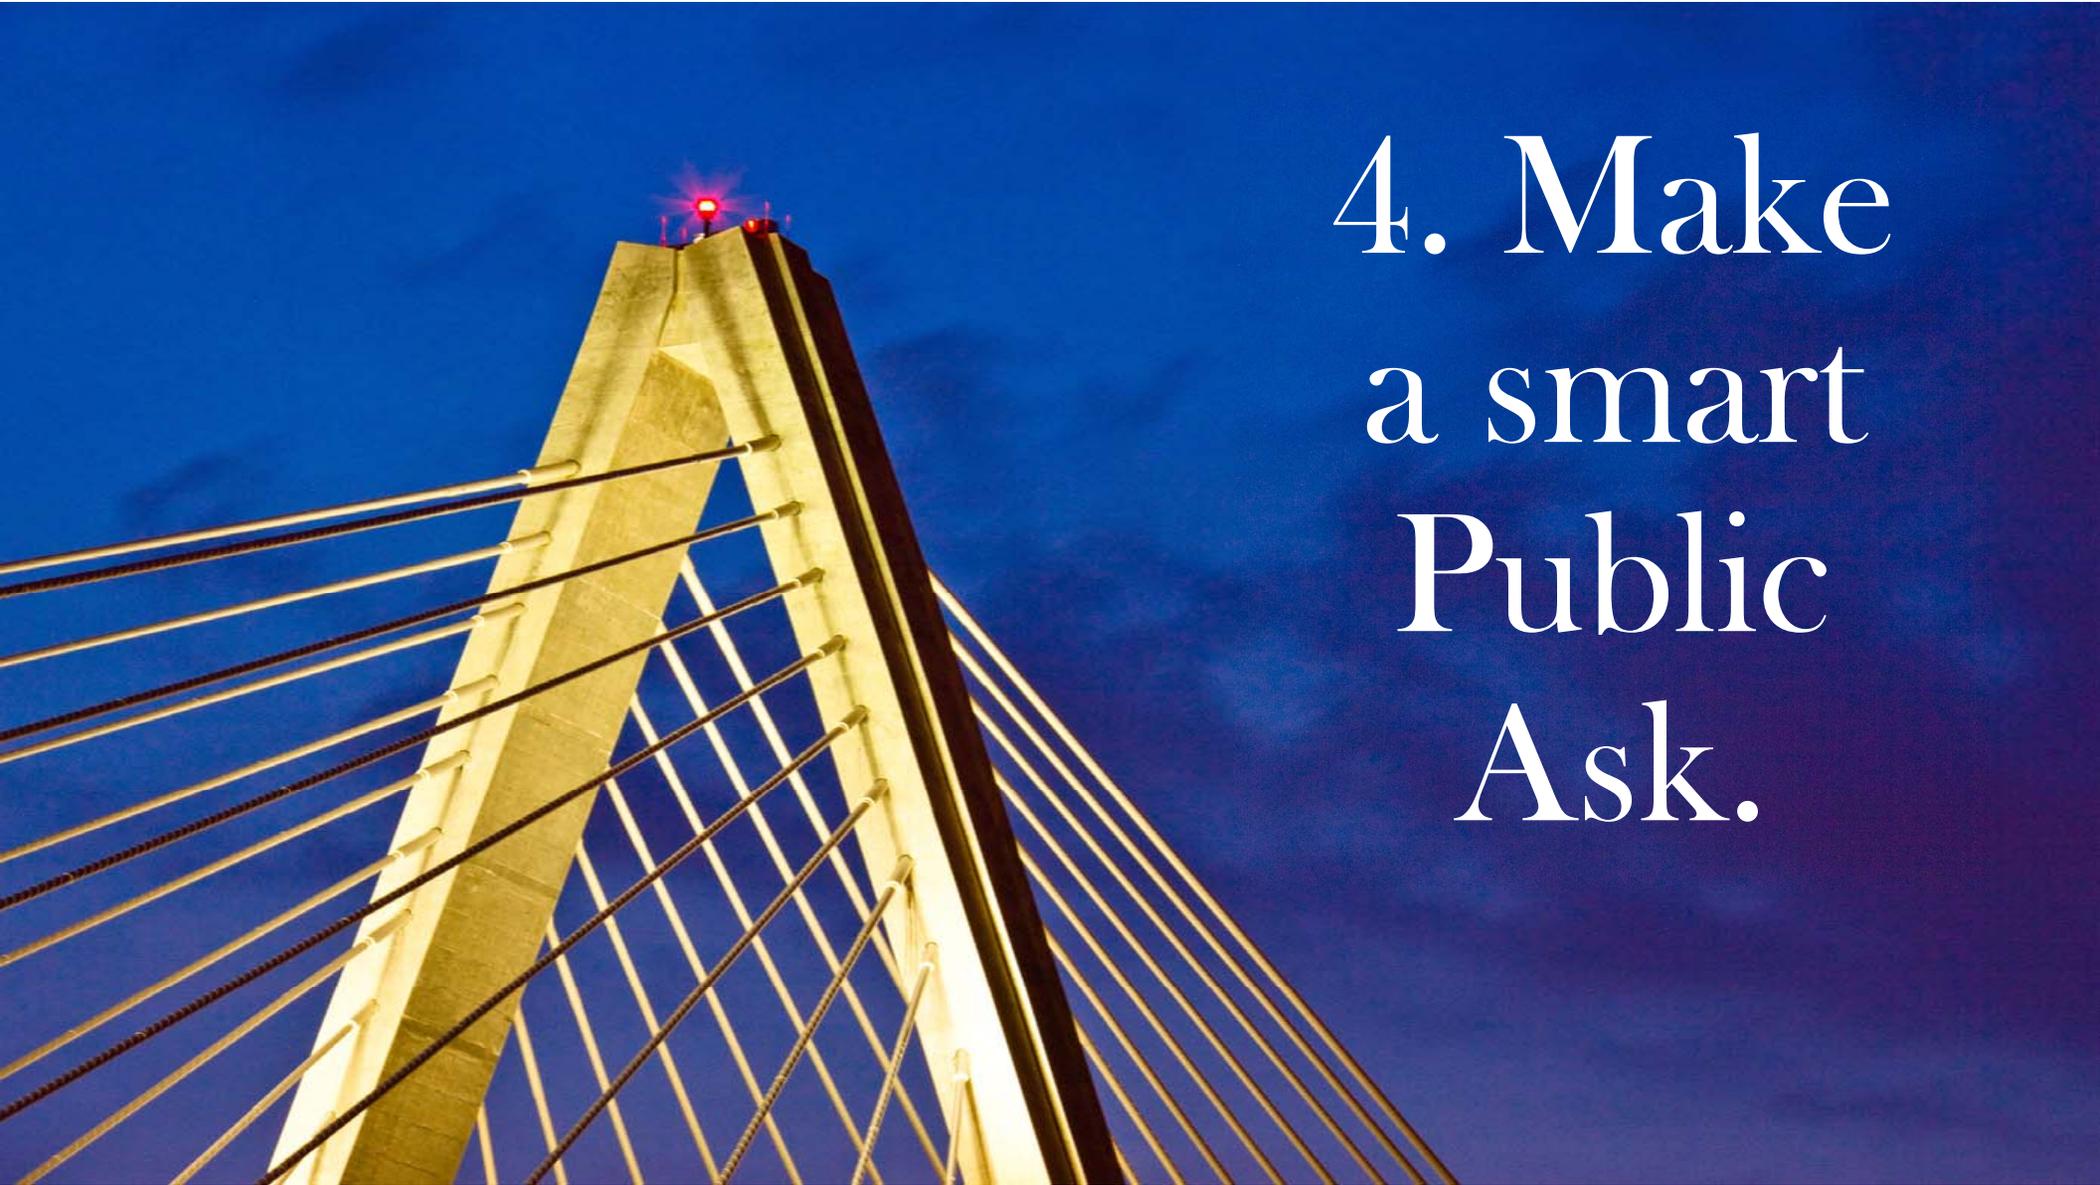

6. Stoke innovation.
